DRAFT.

Regulation for the levy of a cess to meet the cost of the Land Record Establishment and the village service fees in Coorg.

1. That all fees, contributions and allowances, which have hitherto been customarily collected by village officers employed on revenue duties for their support or remuneration by whatever denomination they may be called, shall absolutely cease and determine, and in lieu thereof it shall be lawful for the Chief Commissioner to impose a money cess upon all holders of land in Coorg from and after such date as the Chief Commissioner may by Notification in the local gazette appoint in this behalf. The proceeds of such cess shall be devoted to the payment of the Land Record Establishment and of village servants employed on revenue duties in the several Nads and Villages in Coorg.

2. The rate of the cess shall from time to time be determined by the Chief Commissioner but shall not in any case exceed the rate of fourteen and two-fifths pies in every rupee of assessment. In the case of rent free lands or lands held wholly or partially free from assessment such as Jahgir, Jama, Jodi, Umbli, &c., the cess shall be levied on full assessment which such lands would pay if they were not Inams or granted on privileged rates, and in that of free banes on double the assessment which such banes would pay were they assessed at full coffee rates.

3. The amount of cess payable by each holder of land shall be entered in his patta and shall be realized in the manner provided for the recovery of arrears of land revenue under the Coorg Revenue Regulation No. I of 1869.

4. No claim to the enjoyment of any portion of the cess imposed under the Regulation, and no question regarding liability to the same, or the rate thereof shall be cognizable by the Civil Courts, but the same shall be settled by the Commissioner of Coorg.

5. That any decision or order of the Commissioner under this Regulation shall be appealable to the Chief Commissioner within three months from the date of the decision or order; and the decision of the Chief Commissioner on appeal shall be final and conclusive.
